ANNOUNCEMENTS

Tuesday, 27 November 2018, 9 a.m.: Side event: “Advanced session of the seventh UNIDO ISID Forum: Insights from PCP Countries”

As part of its convening role, UNIDO organizes regular forums on inclusive and sustainable industrial development (ISID) that bring together different stakeholders to engage in a dialogue, exchange knowledge, forge partnerships, and shape strategies for advancing ISID. The first such forum was held in 2014. So far, six ISID Forums have been organized. This year’s advanced session of the Seventh ISID Forum will focus on the Programme for Country Partnership (PCP) and will provide Member States with an opportunity to engage in a dialogue with government representatives of PCP countries.

The PCP is UNIDO’s newest programmatic service for accelerating ISID in Member States. The PCP aims to facilitate the mobilization of partners, expertise and resources for larger development impact, contributing to the achievement of Sustainable Development Goal (SDG) 9 and other relevant SDGs. Each programme is tailored to specific country needs and aligned with the national development agenda, while maintaining several key features: (1) ownership and leadership of the host government; (2) selected priority industrial sectors or areas; (3) a multi-stakeholder partnership; and (4) the facilitation of public and private investment. The PCP combines UNIDO’s advisory and normative services, technical assistance and convening function to deliver an integrated service package to Member States.

The PCP was first introduced in late 2014 and is currently ongoing in six countries: Cambodia, Ethiopia, Kyrgyzstan, Morocco, Peru, and Senegal, covering each region of the globe and constituting the piloting phase. Each PCP is at a different stage of development. The first two pilots, PCP Ethiopia and PCP Senegal, are in implementation since 2015. The third pilot, PCP Peru, launched in January 2016 and commenced implementation in 2018. PCP Cambodia and PCP Kyrgyzstan were approved in 2017 and are currently in the programming phase. The last pilot, PCP Morocco, was approved in 2018 and is in its final stages of programming.

The session will feature opening remarks by the UNIDO Director General, Mr. LI Yong, followed by a moderated panel discussion. It will provide an opportunity to hear directly from high-level government representatives of PCP countries of their first-hand experiences and achievements through the programme, lessons learned and vision for the future. The session will also include a question and answer segment, allowing for an interactive exchange between the panellists, representatives of Member States and other participants.

This event will have free seating for participants. However, the plenary will resume just after this side event, with the IDB seating order being re-introduced. The understanding of participants is therefore kindly requested for the necessary changes that may be required after the side event.

Tuesday, 27 November 2018, 2 p.m.: Side event: “Informative session: Global Manufacturing and Industrialisation Summit (GMIS)”

The Global Manufacturing and Industrialization Summit (GMIS) was established in 2015 as a platform to build bridges between manufacturers, governments and NGOs, technologists, and investors in harnessing the Fourth Industrial Revolution’s (4IR) transformation of manufacturing to regenerate the global economy. An initiative of UNIDO and the United Arab Emirates, GMIS offers a unique platform to discuss concrete opportunities, challenges and global actions pertaining to 4IR, as well as to strive for the development of joint initiatives that contribute to the achievement of the 2030 Agenda for Sustainable Development.

The inaugural GMIS2017 conference was a resounding success. It brought together over 3,000 global influencers including world-renowned CEOs, ministers of economy and industry, leading entrepreneurs and distinguished academics. Over three days, participants engaged in dynamic discussions and information exchanges to advance the vision of ISID. By supporting multi-stakeholder and multilateral debates, world leaders and decision makers are encouraged to ensure a stronger commitment to partnerships at all levels and to align their business models with the SDGs, including coherent and sustainable policies.

In 2019, the second edition of GMIS will intensify the impact of innovation and 4IR technologies on the global manufacturing sector through the global dissemination of knowledge, best practices and standards. The Summit, which will be organized in conjunction with the 10th International Industrial Fair and hosted by the Russian Federation, is designed under the theme of “nature-inspired technologies”, otherwise known as biomimetic design and biomimicry.

The session will feature opening remarks by the GMIS Co-chairs represented by Mr. Hiroshi Kuniyoshi, Deputy to the Director General of UNIDO, and H.E. Mr. Hamad Al Kaabi, Ambassador Extraordinary and Plenipotentiary, Permanent Representative of the United Arab Emirates to UNIDO, H. E. Mikhail Ivanovitch Ulyanov, Permanent Representative of the Russian Federation, host country of GMIS2019. Further, Mr. Badr Al
Olama, the head of the GMIS Organizing committee, will give an insight into GMIS, followed by a moderated fireside chat featuring Mr. Badr Al Olama, Ms. Cecilia Ugaz Estrada, Director, Department of Policy Research and Statistics, UNIDO, and Ms. Veronika Peshkova, Executive Board Member and Expert Council Member of Committee on Women Entrepreneurship Development at OPORA RUSSIA, and newly appointed UNIDO Goodwill Ambassador. After a live question and answer round, the session closes with a wrap-up by the Moderator, Ms. Sarah Kelly, television news anchor and journalist.

The Journal will also appear on the eve of each day of the session on the UNIDO website (www.unido.org/idb/46).

Registration
2. All participants who are not holders of a valid conference access card are invited to present themselves personally on arrival at the Registration Desk located at Gate 1.

3. Delegations are requested to notify the Director General, in writing, through a note verbale issued by either the Permanent Mission or the Ministry of Foreign Affairs, of any subsequent changes in the composition of the delegation attending the Board. The note verbale is to be submitted to the staff at the Registration Desk or at the Secretariat, room C0417, in order that the records for the list of participants of the present session may be kept up to date. Only those delegates who have communicated their names in writing will be included in the list of participants.

VIC conference access cards
4. Each participant will require a conference access card with a photograph for entry into the VIC premises during the session. Official notes verbales and letters indicating the head and other members of the delegation are to be sent as an attachment to an e-mail exclusively to pmo-registration@unido.org. Furthermore, a contact e-mail address is required for each member of the delegation who is not already in possession of a valid VIC access card. The registration system will automatically send an e-mail to the specified address, requesting the delegate to upload an ID photograph in .jpeg format (less than 2 MB in size). It is essential that the original notifications also be mailed to the Policymaking Organs Secretariat, Room D2209, UNIDO, Vienna International Centre, P.O. Box 300, 1400 Vienna, Austria.

5. Delegates already in possession of a VIC access card will only be mentioned in the list of participants if their names have been included in communications to the Secretariat concerning the composition of the delegation.

6. Heads of delegations of Member States entitled to use the Commissary will be issued conference access cards that are validated for admittance to the Commissary (see paragraphs 16 and 17).

Accommodation for group meetings
7. Delegations wishing to hold group meetings should contact the Office of the Meetings Management Unit of UNOV (room D0783, number 26060, extension 3115).

Prepared statements
8. To facilitate the work of the interpreters, speakers are requested to submit in advance, and as early as possible, at least 10 copies of their statements to the Conference Officer in the plenary, or to the Office of the Meetings Management Unit (room D0783).

9. Statements submitted to the Office of the Meetings Management Unit will be published on the UNIDO Extranet, unless there is a clear indication that they should not be made available (extranet.unido.org).

Simultaneous interpretation
10. Speeches made in any of the official languages (Arabic, Chinese, English, French, Russian and Spanish) will be interpreted into the other official languages.

11. A participant may make a speech in a language other than the official languages. In this case, however, the speaker must provide for interpretation into one of the official languages. Interpretation into the other official languages will then be provided by the Secretariat’s official interpreters.

12. For meetings with simultaneous interpretation, some seats in the conference rooms will be provided with a portable receiving set and a headphone. Participants are requested not to remove these from the meeting rooms so that the equipment may be checked and, if necessary, batteries may be reloaded before the next meeting takes place.

Documents distribution
13. The main documents are available in Arabic, Chinese, English, French, Russian and Spanish. Pre-session documents are published on the UNIDO website (www.unido.org/idb/46). To reduce expenditure and minimize the environmental impact through the digitization of conference materials, pre-session documents will only be distributed electronically (document IDB.41/5/Add.1-PBC.29.5/Add.1, para. 12 refers). All participants are urged to bring these documents with them.
Conference room papers are available on the UNIDO Extranet (extranet.unido.org).

14. During the session, legislative documents and journals may be collected from the documents distribution counter, located at the entrance of Board Room C. Draft decisions, when available, will be distributed in the plenary. The documents distribution counter will be open each day of the session from 8.30 a.m. and will close half an hour after the end of the last meeting of the day.

15. Delegates are reminded that the distribution of materials at the document distribution counter and in the plenary is restricted to official UNIDO and United Nations documents and publications and announcements of official meetings of the various groups in Vienna. Official invitations may also be accepted at the documents distribution counter for distribution only for the duration of the meeting.
