Annex

Standards and Metrology Institute for Islamic Countries (SMIIC)

Historical background

The Standards and Metrology Institute for Islamic Countries (SMIIC) was established by the Organization of Islamic Cooperation (OIC) in August 2010 as its intergovernmental standardization institution.

Purpose

SMIIC aims to develop harmonized standards and other relevant specific standards through voluntary standardization processes to facilitate the exchange of goods and services among member States/bodies. As such, SMIIC may cooperate with other regional and international organizations interested partially or wholly in standardization, metrology or related activities. Its main objectives are:

- Establish a conformity assessment scheme to facilitate the exchange of materials, manufactured goods and products among member States, starting with mutual recognition;
- Achieve uniformity in metrology, laboratory testing and standardization activities among Member States;
- Supply to member States, through a cost-sharing system, calibration and metrology services that require large investments and expenditures;
- Provide education and training for member States personnel in standardization and metrology by making the most efficient use of existing means and sharing information and experience;
- Provide documentation and information services in connection with standards and other issues related to the needs of the member States in this field;
- Provide technical assistance to the OIC member States, which do not have such standardization bodies with the view of enabling them to establish their own standardization body.

Membership

SMIIC currently has 39 members: Afghanistan, Algeria, Azerbaijan, Benin, Burkina Faso, Cameroon, Côte d’Ivoire, Djibouti, Egypt, Gabon, the Gambia, Guinea, Indonesia, Iran (Islamic Republic of), Iraq, Jordan, Kazakhstan, Kuwait, Kyrgyzstan, Lebanon, Libya, Malaysia, Mali, Mauritania, Morocco, Niger, Pakistan, Qatar, Saudi Arabia, Senegal, Somalia, State of Palestine, Sudan, Suriname, Tunisia, Turkey, Uganda, United Arab Emirates and Uzbekistan.

Organizational structure

- General Assembly;
- Board of Directors;
- Standardization Management Council; Metrology Council; Accreditation Council; and Standing Advisory Committee;
- General Secretariat.

Financing

SMIIC is funded by the mandatory contributions of its member States, and from the income generated by services, sales of publications and voluntary contributions.
Cooperation with UNIDO
SMIIC’s cooperation with UNIDO would focus on advancing economic competitiveness in trade, standards, quality infrastructure and other related areas.

Relationship with other intergovernmental and governmental organizations
SMIIC cooperates inter alia with the Arab Industrial Development and Mining Organization (AIDMO), the African Organisation for Standardisation (ARSO), the GCC Standardization Organization (GSO), the International Trade Centre (ITC) and the Islamic Organisation for Food Security (IOFS) and the United Nations Economic Commission for Europe (UNECE).
