Agenda item 14: UNIDO Independent Oversight Advisory Committee

Madam President,

Thank you for the opportunity.

Indonesia appreciates the establishment of the Oversight Advisory Committee (OAC) to realize a transparent and accountable UNIDO governance. The existence of OAC will spur UNIDO's cooperation effectiveness and its role in the development of the global industry.

Furthermore, Indonesia endorses the work of OAC to promote the implementation of management action plans and recommendations, both from internal audit and from the Joint Inspection Unit and the External Auditor.

Indonesia highlights the importance of strengthening the role of the Office of Evaluation and Internal Oversight. We are convinced that such an effort will increase the organization's internal supervision, accountability, efficiency, and effectiveness.
