

**The Kingdom of Morocco Congratulatory Statement  
delivered by H.E Mr AZZEDDINE Farhane  
at UNIDO's GENERAL CONFERENCE  
(Vienna, 29 November-3 December 2021)**

**Mr Director General,**

I would like to extend to you Mr Director General my sincere congratulations on your appointment as Director General of UNIDO.

I am confident that your appointment will be the best opportunity to bring to this distinguished organization your valuable experience and your clear vision in implementing the objectives of 2030 agenda and achieving inclusive and sustainable development in all developing countries, mainly in Africa through PCPs that can be concrete drivers of economic development in African countries.

Moreover, we have significant challenges in crucial areas, such as climate change, energy transition, food security, digitalization, gender equality jobs creation, poverty eradication. All these sectors represent our shared priorities and require therefore global cooperation and tangible solidarity to build back better, particularly in these difficult times of ongoing pandemic.

To conclude, allow me Mr Director General to wish you full success in your future endeavours and assure you of Morocco's support to fulfil your mission in achieving our common goals of inclusive and sustainable development.
