A provisional agenda for the thirty-eighth session, prepared by the Director General in consultation with the Chairperson of the Committee, in accordance with rules 8 and 9 of the rules of procedure, is submitted to the Committee for adoption in document PBC.38/1 as stipulated in rule 12.

The Committee will have before it:

#### Item 3. Annual Report of the Director General for 2021

In accordance with Article 11.6 of the Constitution, the Director General is to prepare an annual report on the activities of the Organization. In its

resolution GC.4/Res.2, the General Conference requested the Director General to fully incorporate in future annual reports the programme performance report according to Industrial Development Board decision IDB.7/Dec.11. At the request of the Board through decision IDB.23/Dec.12, annual reports include information on operational activities for developments arising from relevant United Nations General Assembly resolutions, including the quadrennial comprehensive policy review in accordance with United Nations General Assembly resolution [75/233](#) of 21 December 2020.

In compliance with Conference resolution GC.17/Res.1 paragraph (p) and Board decision IDB.44/Dec.2, paragraph (c), the annual report also informs Member States of the implementation of the medium-term programme framework (MTPF) and of UNIDO's contribution to the realization of the 2030 Agenda for Sustainable Development and its Sustainable Development Goals. Pursuant to Board decision IDB.44/Dec.2, paragraph (d), the *Annual Report of UNIDO 2021* will provide information in a concise manner, enriched with statistical data and results in accordance with the integrated results and performance framework (IRPF), to enhance UNIDO's performance accountability and visibility.

In line with decision IDB.46/Dec.13, paragraph (i), Member States will be updated on the progress made in the implementation of the Third Industrial Development Decade for Africa (IDDA III).

Article 9.4 (d) of the Constitution stipulates that the Board shall request members to furnish information on their activities related to the work of the Organization. In decision IDB.1/Dec.29, Member States were requested to inform the Board of their activities related to the work of the Organization when reviewing the annual report. Due to the reduction of the number of sessions of the Board in non-General Conference years (decision IDB.39/Dec.7(f)) and following the practice established in 2013, the annual report will be presented through the Programme and Budget Committee to the Board.

Member States may therefore wish to include information on their activities as they relate to the work of UNIDO in the statements delivered by their representatives to the Committee under this item.

The Committee will have before it:

- *Annual Report of UNIDO 2021* (PBC.38/2-IDB.50/2)

**(a) Managing for results: Update on the implementation of the medium-term programme framework, 2022–2025**

In paragraphs (e) and (f) of decision GC.15/Dec.17, the Conference requested an MTPF for four years. The Board, through decision IDB.44/Dec.10, requested an updated MTPF for the period 2018–2021 (IDB.45/8, Add.1 and Add.2), including the IRPF with baseline and target values.

In line with the four-year horizon established by IDB.44/Dec.10, a proposal by the Director General for the medium-term programme framework 2022–2025 (IDB.49/8) was submitted to the thirty-seventh session of the Programme and Budget Committee and the forty-ninth session of the Industrial Development Board.

The implementation of the IRPF saw major advancements driven by the MTPF 2018–2021, and has been fully consolidated and mainstreamed in the MTPF 2022–2025. This includes the continuous development of guidance, tools, templates and capacity-building initiatives, as well as fine-tuning of the integration of the IRPF with UNIDO's enterprise resource planning system.

With the MTPF 2022–2025, the application of the IRPF for decision-making is fully realized at the highest level of organizational official strategic planning processes. The IRPF provides the shared structure for the alignment of the MTPF, the results-based programme and budgets, 2022–2023 (IDB.49/5-PBC.37/5), organizational work plans and the annual report.

An update on the implementation of the MTPF as it relates to managing for results will be presented to the Committee.

The Committee will have before it:

- Managing for Results: Update on the implementation of the medium-term programme framework, 2022–2025. Report by the Director General (PBC.38/5-IDB.50/5)

In its conclusion 1987/19, paragraph (j), the Committee requested the Director General to submit each year to the Board through the Committee a clear and detailed financial performance report itemizing the utilization of financial resources.
