TOGETHER
for a sustainable future

DISCLAIMER

This document has been produced without formal United Nations editing. The designations employed and the presentation of the material in this document do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations Industrial Development Organization (UNIDO) concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries, or its economic system or degree of development. Designations such as “developed”, “industrialized” and “developing” are intended for statistical convenience and do not necessarily express a judgment about the stage reached by a particular country or area in the development process. Mention of firm names or commercial products does not constitute an endorsement by UNIDO.

FAIR USE POLICY

Any part of this publication may be quoted and referenced for educational and research purposes without additional permission from UNIDO. However, those who make use of quoting and referencing this publication are requested to follow the Fair Use Policy of giving due credit to UNIDO.

Expert Group Meeting on Industrial Co-operatives
Warsaw, Poland, 30 August - 3 September 1971

PROVISIONAL AGENDA

1. Opening Addresses
2. Election of Officers
3. Adoption of the Agenda and Work Programme
4. Development and operation of industrial co-operatives in developing countries:
 - promotion of the development of industrial co-operatives (institutional framework, review of promotional measures that have proven to be effective)
 - organization and operation of industrial co-operatives (economic, engineering and management problems)
 - establishment of advisory services including feasibility studies for industrial co-operatives
 - promotional, management and technical skills development for industrial co-operatives (academic education and formal educational programmes, short-term training workshops, in-service and in-plant training schemes, etc.)
5. Formulation of a 3 week programme for regional training workshops on industrial co-operatives
6. Mutual co-operation and collaboration between industrial co-operatives in different countries:
 - exchange of assistance between industrial co-operatives in such areas as management, marketing, technical know-how, training and equipment
 - measures for bringing about contacts between industrial co-operatives in different countries so as to make possible arrangements for the exchange of such types of assistance
7. Discussion of the Report and adoption of Recommendations
