INDUSTRIAL DEVELOPMENT BOARD
First session
New York, 10-28 April 1967

REPORT OF THE SESSIONAL COMMITTEE ON RULES OF PROCEDURE

Rapporteur: Dr. Mohamed WARSAMA (Somalia)

1. The Committee held five meetings from 11 to 20 April 1967.
2. The Committee unanimously elected as Chairman Mr. Jan Muzik (Czechoslovakia), and as Vice-Chairman/Rapporteur Dr. Mohamed Warsama (Somalia).
3. The Committee had before it a number of amendments, submitted by a group of twenty-five countries, referred to as the Group of Twenty-Five,* to the draft rules of procedure prepared by the Secretariat and contained in document ID/B/2. The Committee decided to proceed with a reading of the draft rules, one by one, the sponsors of amendments introducing each amendment and the Committee deciding, whenever possible, on the approval of each rule. It was understood that representatives could propose amendments orally or in writing and that they could reserve their position should they not agree with the text of a rule approved by the Committee.
4. An amendment to rule 1 had been submitted by the Group of Twenty-Five proposing to substitute it with the following text: "The Industrial Development Board shall hold at least one regular session a year."
5. The sponsors of the draft amendment stressed that there was, in fact, no difference of substance between the original text and the proposed amended text of rule 1.
6. Rule 1, as proposed in document ID/B/2, was identical with the wording contained in paragraph 11 of General Assembly resolution 2152 (XXI). The sponsors pointed out that in the same resolution the General Assembly, as was stated by a

* The Group of Twenty-Five is composed of the following countries: Argentina, Brazil, Cameroon, Chile, Colombia, Ghana, Guinea, India, Indonesia, Iran, Ivory Coast, Jordan, Kuwait, Nigeria, Pakistan, Peru, Philippines, Rwanda, Somalia, Sudan, Thailand, Trinidad and Tobago, United Arab Republic, Uruguay and Zambia.

(para. 7 (h)). Consequently, according to the sponsors, the word "normally" in paragraph 11 of the General Assembly resolution could only be interpreted to mean that the Board was to hold "at least" one regular session a year. This was a logical interpretation, since there might be cases where it would be necessary for the Board to hold more than one regular session in a given year, in order to fulfil its obligations vis-à-vis the General Assembly.

7. There was no intention on the part of the sponsors to provide explicitly that more than one regular session a year would be held; the aim of the amendment was to safeguard this possibility in cases where it would be necessary.

8. The representative of France expressed the view that it would be sufficient to delete the word "normally" in draft rule 1, since special sessions envisaged in rule 4 could provide for any contingency. The provision contained in other relevant rules of procedure of United Nations organs, such as the rules of procedure of the Trade and Development Board, were identical to the rule proposed in document ID/B/2.

9. It was the understanding of the Committee that the words "at least one regular session a year" used in rule 1 of the draft rules of procedure did not denote an intention to hold more than one regular session of the Board each year. At the same time they did not preclude the possibility of having more than one regular session if the need existed and the Board so decided.

10. The Committee decided to approve rule 1, as amended, with the explanation referred to in the preceding paragraph, the representative of France reserving the position of his delegation.

11. The Committee then considered rule 2 of the draft Rules of Procedure. It decided to accept the amendment submitted by the Group of Twenty-Five, with an oral sub-amendment proposing to replace the words "at a previous session" by "at the previous session". Rule 2, as amended, was approved by the Committee. It reads as follows: "Each regular session of the Board shall be held, subject to the provisions of rule 3, at a date fixed by the Board at the previous session, in such a way as to enable the General Assembly to consider the annual report of the Board in the same year."

12. Rule 3, as contained in document ID/B/2, was approved by the Committee.

13. The Committee had before it a new rule 4 proposed by the Group of Twenty-Five under the sub-heading of "Place of regular session" to read: "Regular sessions shall be held at the Headquarters of the United Nations Industrial Development Organization, unless otherwise decided by the Board at a previous session." The question was raised as to whether special sessions should also be included in this provision. It was pointed out in answer that special sessions would normally be held at Headquarters but, in view of their urgent character, may have to be held outside the headquarters of the organization. The new rule 4, as proposed by the Group of Twenty-Five was approved by the Committee.

14. The Committee then considered rule 4, as contained in document ID/B/2 (to be renumbered rule 5). The Committee had before it a draft amendment submitted by the Group of Twenty-Five which proposed to delete sub-item 1 (c); and to redraft paragraph 2 as follows:

"Special sessions may also be requested by:

"(a) The Economic and Social Council;

"(b) The President of the Board, in consultation with the Executive Director;

"(c) Ten States Members of the United Nations or members of the specialized agencies or of the International Atomic Energy Agency, whether or not they are members of the Board.

"In such cases, the Executive Director shall immediately inform all members of the Board of the request, as well as of the approximate costs and relevant administrative considerations, and inquire whether they concur in it. If within twenty-one days of the inquiry a majority of the members of the Board explicitly concurs in the request, the Executive Director shall convene a special session of the Board."

15. A sub-amendment was proposed to the effect that sub-paragraph (b) would read: "The President of the Board, with the concurrence of at least two other members of the Bureau and in consultation with the Executive Director." After discussion the Committee accepted the following wording for sub-paragraph (b): "The President of the Board, with the concurrence of the other members of the Bureau of the Board and in consultation with the Executive Director". Rule 4, as amended, was approved by the Committee.

16. The Committee then considered rule 5, as contained in document ID/B/2 (to be renumbered rule 6). This rule was approved by the Committee.

17. The Committee turned to rule 6 (to be renumbered rule 7). The Committee had before it the following draft amendments proposed by the Group of Twenty-Five. The words "if any" should be added after the words "Committees of the Board". The words "The appropriate United Nations bodies" should be added before the words "and the inter-governmental organizations". The words "at least twelve days in advance" should be replaced by the words "immediately after the date has been fixed by the President in accordance with rule 6 above".

18. A representative pointed out that it was the first time that the addition of the words "if any" was proposed and that, if in the present instance there was no objection to these words being used, a decision would have to be taken at a later date by the Committee concerning the insertion of these words in other relevant rules.

19. Rule 6, as amended, was approved, it being understood that members of the Board should be given as much advance notice for regular and special sessions as circumstances would permit. Rule 7 (to be renumbered rule 8), as contained in document ID/B/2, was approved by the Committee.

20. The Committee had before it draft amendments to rule 8 (to be renumbered rule 9) submitted by the Group of Twenty-Five. These draft amendments were as follows:

"In paragraph 1 delete the words 'of the Board' at the end of the first sentence. Change sub-paragraph (e) to read: 'A State Member of the United Nations or of the specialized agencies or of the International Atomic Energy Agency'. Add to sub-paragraph (g): 'Or the Economic and Social Office in Beirut'. In paragraph 2 delete the words 'or by a draft resolution'."

Oral amendments were proposed consisting of adding to paragraph 1 a new sub-paragraph (g) to read: "The Governing Council of the United Nations Development Programme" and a sub-paragraph (h) to read: "The Trade and Development Board of the United Nations Conference on Trade and Development". In paragraph 2, sub-categories (g) and (l) were to be added, and the word "four" was to be replaced by the word "seven". The Committee approved rule 9 as so amended (see text in annex).

21. As proposed by the Group of Twenty-Five, rule 9 was deleted. In rule 10 the Committee had before it a draft amendment by the Group of Twenty-Five proposing to add the words "the appropriate United Nations bodies" after the words "President of the Economic and Social Council", it being understood that these words covered the United Nations Development Programme and the United Nations Conference on Trade and Development. An oral amendment was introduced proposing to add the words "The Chairmen of the Committees of the Board, if any" after the words "International Atomic Energy Agency". Rule 10, as amended, was approved by the Committee. In rule 11 the Committee had before it the following draft amendments proposed by the Group of Twenty-Five: change "rule 8" at the end of the first sentence to read "rule 9"; reword the second sentence to read: "The request for inclusion of a supplementary item shall be supported by a statement from the authority proposing it, except in the case of the General Assembly, regarding the urgency of the consideration of the item"; delete the third sentence. An oral sub-amendment proposed to replace the third sentence by the following: "The Executive Director shall communicate to the Board any requests for the inclusion of supplementary items received before the commencement of the regular session." Rule 11, as amended was approved by the Committee.

22. Concerning rule 12 the Committee had before it the following draft amendments submitted by the Group of Twenty-Five: "In paragraph 1 delete the words 'list referred to in' at the end of the sentence and replace by 'items proposed in accordance with'; in paragraph 2 replace the words 'A member of the Board' by the words 'a State Member of the United Nations or of the specialised agencies or of the International Atomic Energy Agency'; in paragraph 3 delete the word 'prepared' and add at the end of the sentence 'circulated to members at least six weeks before the beginning of the regular session of the Board'." Oral amendments were proposed to replace the words "and the supplementary list referred to in rule 11" by the words "and any supplementary items proposed in accordance with rule 11"; and, in the third line of paragraph 2, to delete the word "provisional" and the words "or the supplementary list", replacing the latter with the words "under rules 9 and 11 above. Rule 12, as amended, was approved by the Committee.

23. The Committee approved rule 13. It then decided to add the words "if any" to references to subsidiary organs or committees of the Board or sessional committees, in any relevant rule. The Committee approved rules 14, 15, 16 and 17, as contained in document ID/B/2.

24. The Committee decided to defer consideration of rules 18 and 19. It approved rule 20. In rule 21 the Committee accepted an oral amendment to replace the words "is absent from a meeting or any part thereof" by the words "cannot preside at a meeting or any part thereof", in order to provide for the case where the President, while leaving his seat as President, remains in the meeting. Rule 21, as amended, was approved by the Committee. Rule 22 was approved by the Committee with the substitution of the word "incapacitated" in the English text by the words "unable to perform his functions". Rule 23 was approved, as well as rules 24, 25, and 26, as contained in document ID/B/2. In rule 27 the Committee had before it a draft amendment by the Group of Twenty-Five proposing to delete the words "brought before it for consideration" and to replace them by the words "of interest to the Board". Rule 27, as amended, was approved by the Committee, as was rule 28. In rule 29 the Committee accepted oral amendments, adding the words "in all the working languages" after the word "documents" and a new sentence at the end to read: "A translation of the documents into any of the other official languages shall be furnished if requested by any member of the Board." Rule 29, as amended, was approved by the Committee. A representative requested that documents be distributed simultaneously in all working languages. The representative of the USSR made the request, in accordance with the above rule 29, to have all documents translated into Russian. Rule 30, as contained in document ID/B.2, was approved by the Committee.

25. In respect of rule 31, the Committee had before it a draft amendment proposed by the Group of Twenty-Five to add a third paragraph to read: "The Executive Director shall submit to the Board at each regular session the estimates of expenditure of the organization for the following year." An oral amendment was introduced to delete in the first paragraph, second line, the words: "or by any of its subsidiary organs" and the words "or of the subsidiary organ concerned" in the third line. Another oral amendment was proposed to add at the end of the second paragraph the words: "With explicit reference to the previously approved project at the expense of which such work is to be financed." The Committee decided to request a legal opinion concerning paragraph 2 of draft rule 31.

26. In answer to this request, the Director of the General Legal Division of the Office of Legal Affairs pointed out in his oral opinion that paragraph 2 of rule 31 was taken from paragraph 4 of rule 34 of the rules of procedure of the Economic and Social Council where expenses were financed exclusively from the regular budget of the United Nations. General Assembly resolution 2152 (XXI) distinguished between two categories of expenditures of UNIDO. The first category related to expenses for administrative and research activities which were to be borne by the regular budget of the United Nations. The second category involved expenses for operational activities which were to be met from voluntary contributions or through participation in the United Nations Development Programme or by utilization of the resources of the United Nations regular programme of technical assistance. Financing through voluntary contributions would be subject to any recommendation which the Board might wish to introduce to the United Nations financial regulations. Financing through participation in UNDP or utilization of the resources of technical assistance programmes would follow the procedures governing the operation of the UNDP and would not involve the General Assembly. In view of this and since paragraph 2 of rule 31 referred specifically to "the next regular session of the General Assembly", it might be concluded that the paragraph was intended to provide for an emergency situation involving expenses to be borne by the regular budget of the United Nations and that the work referred to therein related only to the administrative and research activities of UNIDO. This might be made more immediately apparent by adding in paragraph 2 of rule 31, after the word "work" in the second line of the paragraph, the following: "involving expenditures under paragraph 21 of General Assembly resolution 2152 (XXI)." Consequently financing of the urgent work under paragraph 2 of rule 31 would have to be in accordance with applicable resolutions of the General Assembly and the financial regulations of the United Nations. In this connexion the Director of the General Legal Division drew attention to General Assembly resolution 2243 (XXI) which authorized the Secretary-General, with the prior concurrence of the Advisory Committee on Administrative and Budgetary questions and subject to the financial regulations of the United Nations, to enter into commitments to meet unforeseen and extraordinary expenses in the financial year 1967. In accordance with this resolution and other similar resolutions of the preceding sessions of the Assembly, any recommendation of the Board under paragraph 2 of rule 31 would be transmitted to the

Secretary-General through the Executive Director of the Organization. He also recalled recommendations of the Ad Hoc Committee of Experts to Examine the Finances of the United Nations and the Specialized Agencies (A/6343, pp. 19-20) and stated that the implementation of paragraph 2 of rule 31 should be considered in the light of those recommendations. He also said that having in mind those recommendations, the Office of the Controller would see an advantage of adding to the present text of paragraph 2 a provision which might read as follows:

"...and shall also indicate the possibility of financing the work within the level of the approved budget by eliminating or deferring other work of lesser urgency and priority."

As to the meaning of the words "cases of exceptional urgency" it would be for the Board to determine whether a particular case was of such exceptional urgency as to justify a recommendation under this paragraph.

27. In answer to a question as to whether paragraph 2 of rule 31 was necessary, the Director of the General Legal Division replied that it was a matter of policy for the Board to decide.

28. Following a proposal to insert between paragraphs 1 and 2 of draft rule 31, a new paragraph along the lines of paragraph 3 of rule 34 of the rules of procedure of ECOSOC the proposer of the oral amendment to paragraph 2 of draft rule 31 withdrew his amendment. The Committee adopted paragraph 1 of rule 31 as amended by the proposed amendments of the USSR. It approved the insertion of a new paragraph 2 along the lines of paragraphs 3 of rule 34 of the rules of procedure of ECOSOC. It also approved paragraph 3 (former paragraph 2) with the amendment suggested by the Director of the General Legal Division, and paragraph 4 consisting of the amendment proposed by the Group of Twenty-Five. It was understood that new paragraph 3 did not confer on the Executive Director the authority to incur expenses and that the purpose of that paragraph was to set in motion the emergency powers of the Secretary-General under the relevant Financial Rules and Regulations of the United Nations concerning unforeseen and extraordinary expenses. As to paragraph 4 of rule 31, its purpose was to provide an information document concerning the Secretary-General's estimates of expenditures for consideration in connexion with the approval of the work programme of UNIDO, and it was for the General Assembly to take action on the estimates as such. (See text of rule 31 in annex 3.)

29. The Committee approved rules 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47 (adding for this rule a sub-heading to read: Voting Rights) and 48, as contained in document ID/B/2. It approved rule 49 with an oral amendment to delete the word "English" in the second line. It also approved rules 50, 51, 52, 53, 54, 55, 56, 57, 58, 59 as contained in document ID/B/2.

30. In respect of rule 60, the Committee had before it a draft amendment by the Group of Twenty-five to delete the second sentence of the first paragraph. The following oral amendments were proposed: (a) to add at the beginning of the second paragraph the words: "The sessional committees and working parties may set up"; (b) to insert in the same paragraph a new sentence after the words: "and sub-groups of working parties" to read: "The members of such sub-committees and sub-groups of working parties shall be nominated by the committee or working party concerned"; (c) to add in the third paragraph, second line, the words: "as appropriate" after the word: "applied". Rule 60 as amended was approved by the Committee. Rule 61 was approved as contained in document ID/B/2.

31. In the sub-title of rule 62, the words: "and Expert Groups" were added after the words "subsidiary organs of the Board". In respect of rule 62, the Committee had before it draft amendments proposed by the Group of Twenty-five tending to replace the word "including" by the word "and" in the existing paragraph and to add the following paragraphs:

"Any State Member of the United Nations or of the specialized agencies or the IAEA whether or not that State is represented on the Board may become a member of any subsidiary organ of the Board. In determining the size of the subsidiary organs and in electing their members the Board shall take fully into account the desirability of including in the membership of these bodies States with a special interest in the subject-matter to be dealt with by them, as well as the need to ensure equitable geographical distribution.

"The rules of procedure of subsidiary organs shall be those of the Board, as appropriate, subject to such modification as the Board may decide upon in the light of proposals by the subsidiary organs concerned. Each subsidiary organ shall elect its own officers.

"Each subsidiary organ, taking into consideration the date of the regular session of the Board and bearing in mind the items referred to it by the Board, may adopt its own priorities within the framework of the work programme established by the Board, and in consultation with the Executive Director of the organization, meet as may be necessary."

Rule 62 as amended was approved by the Committee.

32. Rules 63, 64 and 65 as contained in document ID/B.2 were approved by the Committee.

33. In respect of rules 66 and 67, the Committee had before it the following draft amendments proposed by the Group of Twenty-Five: "Re-number rule 67 to rule 66 and insert the word 'documents' in the sub-heading after the words 'language of'". Change it to read: "Except as provided in rule 67 below all important documents, resolutions, recommendations and other formal decisions of the Board as well as its reports to the General Assembly shall be made available in the official languages. Upon the request of any delegation, any other document shall be made available in any or all of the official languages." Re-number rule 66 as rule 67 and add a second sentence to it to read: "A translation of the whole or part of any summary record into either of the other official languages shall be furnished if requested by any delegation." The Committee decided to consider rule 66 as proposed by the Group of Twenty-Five. It accepted the first amendment to add the word "documents" and decided to insert it at the end of the sub-heading. The Committee also accepted the other amendments proposed by the Group of Twenty-Five with oral sub-amendments to insert the words "and other important documents" after the words "General Assembly" and to replace the word "delegation" by the words "member of the Board". New rule 66 with the amendments and sub-amendments was approved by the Committee.

34. Concerning new rule 67, an oral amendment was proposed to delete the words "and its sessional committees". The same amendment was proposed in respect of rules 68 and 69. The Chairman stated that according to information at his disposal, summary records provided by regular staff in English, French and Spanish for one meeting are estimated to cost \$1,000. He pointed out however the difficulty of producing estimates without appropriate details. A representative stated that the estimated cost of the summary records for the present sessional committee amounted to \$5,000 and that in each case when considering whether to have summary records of sessional committees the Board should consider the importance of this committee's agenda and the financial implications. Some representatives stressed that the cost of producing and translating summary records represented a large proportion of the total cost of United Nations conferences. For instance, summary records of UNCTAD bodies below the level of the Board amounted to about \$600,000 a year. In their opinion, such summary records were not of paramount importance. Other representatives said they could not agree with such proposal, since important

questions were dealt with by these committees and it was therefore necessary to provide summary records for their meetings. A compromise solution was offered to have the Board decide in each case (for instance by the addition of the words "where necessary") whether or not summary records should be required. It was, however, pointed out by some representatives that such a provision would not result in much saving because the necessary staff would have to be employed in any case and such staff would have to remain idle if the Board decided not to have summary records. The Committee approved rule 67 as amended by the Group of Twenty-Five and without the deletion of the words "and its sessional committees", some representatives reserving their right to raise again the question before the Board when it will deal with the work of the sessional committee.

35. In respect of rule 70, the Committee had before it draft amendments proposed by the Group of Twenty-Five tending to delete the words: "as soon as possible" and to add at the end "and the inter-governmental organizations referred to in rule 75 below". Rule 70 as amended was approved.

36. Rules 71, 72, 73 and 74 as contained in document ID/B/2 were approved by the Committee. However, on the basis of the principle of universality the representatives of Bulgaria, Cuba, Czechoslovakia, Romania and the USSR expressed reservations concerning the words "Member of the United Nations or member of a specialized agency or of the International Atomic Energy Agency" contained in rules 73 and 74, stating that it excluded a number of countries which could make a valuable contribution to the Board's work. Other representatives stated that the words referred to appeared in General Assembly resolution 2152 (XII), paragraph 13, and therefore had to be retained.

37. In respect of rule 75, the Committee had before it draft amendments submitted by the Group of Twenty-Five tending to add in the first paragraph the words "UNCTAD, UNEP, as well as, of the" after the words "the IAEA". It was proposed to insert these words in both paragraphs of rule 75. Rule 75 as amended was approved.

38. In rule 76, oral amendments were proposed to add the words "and revise when necessary the" after the word "adopt" in the first paragraph. It was further pointed out that in the French text the words "organisations non gouvernementales internationales" should read "organisations internationales non gouvernementales".

The Committee approved rule 76 as so amended. The Committee also decided to recommend to the Board to designate at this session the inter-governmental and non-governmental organizations referred to in rules 75 and 76.

39. In respect of rule 77, the Committee had before it a draft amendment submitted by the Group of Twenty-Five to add at the end the words "Subject to rules 78 and 79 below". Rule 77 as amended was approved by the Committee. Rules 78 and 79 as contained in document ID/B/2 were also approved.

40. The Committee then considered rules 18 and 19. It had before it a draft amendment to rule 18 proposed by the Group of Twenty-Five as orally amended to delete the last sentence and a new text for rule 19 to read as follows:

"The offices of the President, the three Vice-Presidents and Rapporteur shall be subject to rotation among the groups referred to in the annex to General Assembly resolution 2152 (XXI) within a five-year cycle in accordance with the annex to these rules of procedure.

"For the purposes of this rule, due account shall be taken of the decisions of the Board regarding the association of new members with the lists of States contained in the annex to General Assembly resolution 2152 (XXI)." (See annex 2.)

41. The Committee decided to retain the two alternatives without approving rules 18 and 19 and leave them for the consideration of the Board.

42. The Rules of Procedure of the Board as approved by the sessional committee are reproduced in annex III to the present report.
