

TOGETHER
for a sustainable future

OCCASION

This publication has been made available to the public on the occasion of the 50th anniversary of the United Nations Industrial Development Organisation.

TOGETHER
for a sustainable future

DISCLAIMER

This document has been produced without formal United Nations editing. The designations employed and the presentation of the material in this document do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations Industrial Development Organization (UNIDO) concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries, or its economic system or degree of development. Designations such as “developed”, “industrialized” and “developing” are intended for statistical convenience and do not necessarily express a judgment about the stage reached by a particular country or area in the development process. Mention of firm names or commercial products does not constitute an endorsement by UNIDO.

FAIR USE POLICY

Any part of this publication may be quoted and referenced for educational and research purposes without additional permission from UNIDO. However, those who make use of quoting and referencing this publication are requested to follow the Fair Use Policy of giving due credit to UNIDO.

United Nations Industrial Development Organization

Technical Meeting on the Selection
of Woodworking Machinery

Vienna, 19-23 November 1973

LIST OF DOCUMENTS

- | | |
|--|---|
| ID/WG.151/1 | Provisional agenda and programme of work |
| ID/WG.151/2 | List of documents |
| ID/WG.151/3
and Summary 1/ | Needs and conditions of the woodworking industries of the Philippines (document prepared by Mr. H.P. Brion, Sarmiento Industries, Cotabato, Philippines) |
| ID/WG.151/4
and Summary | Solar kilns: their suitability for developing countries (document prepared by Mr. R.A. Plumptre, Research Assistant, Commonwealth Forestry Institute, Oxford, United Kingdom) |
| ID/WG.151/5
and Corr.1
and Summary | Selection of finger jointing machines (document prepared by Mr. H. Syberts, Technical Manager, Hombak Maschinenfabrik, Bad Kreuznach, Federal Republic of Germany) |
| ID/WG.151/6
and Summary | General selection guidelines for woodworking machinery (document prepared by Mr. A. Travník, Lignoprojekt, Bratislava, Czechoslovakia) |
| ID/WG.151/7
and Summary | Maintenance of woodworking plants (document prepared by Mr. D. Parkes, Maintenance Advisory Service, Witley, United Kingdom) |
| ID/WG.151/8
and Summary | Dust control and waste extraction (document prepared by Mr. A. Smith, Hitchin, Hertfordshire, United Kingdom) |
| ID/WG.151/9
and Summary | Safety and Health in the design and use of woodworking machinery (document prepared by The Occupational Safety and Health Branch of The International Labour Office, Geneva, Switzerland) |

1/ All summaries exist in English, French and Spanish.

We regret that some of the pages in the microfiche copy of this report may not be up to the proper legibility standards, even though the best possible copy was used for preparing the master fiche.

- ID/WG.151/10
and Summary
- Needs and conditions of the woodworking industry in Guyana (document prepared by Mr. C.F. Collins, Utilization Officer, Forest Department, Georgetown, Guyana)
- ID/WG.151/11
- Les besoins et les conditions des industries du bois en Afrique de l'Ouest (document prepared by Mr. G. Noel, S.C.I.C, Paris, France)
- ID/WG.151/12
and Summary
- Selection d'équipement pour le séchage du bois (document prepared by Mr. A. Villière, Centre Technique du Bois, Paris, France)
- ID/WG.151/13
and Summary
- Selection and maintenance of cutting tools for the woodworking industry (document prepared by Mr. S.L. Segal, President, North American Products Corporation, Jasper, Indiana, United States of America)
- ID/WG.151/14
and Summary
- Standardised classification and terminology in the woodworking machinery industry (document prepared by Mr. H. Eldag, Consultant, Vienna, Austria)
- ID/WG.151/15
and Summary
- The selection of maintenance equipment for woodworking plants (document prepared by Mr. A. Nikkanen, Lahden Rautateollisuus Oy, Lahti, Finland)
- ID/WG.151/16
and Corr.1
and Summary
- Multi-purpose machines and multi-purpose processing lines for the woodworking industry (document prepared by Mr. H. Eldag, Consultant, Vienna, Austria)
- ID/WG.151/17
and Summary
- Selection of machinery for remanufacturing: circular saws (document prepared by Mr. A.C. Mattison, Chairman of the Board and Treasurer, Mattison Machine Works, Rockford, Illinois, United States of America)
- ID/WG.151/18
and Summary
- Selection of equipment for joining (document prepared by Messrs. J. Reinhardt and E. van der Straeten, Plastics Division, Ciba-Geigy (UK) Limited, Cambridge, United Kingdom)
- ID/WG.151/19
and Summary
- The conditions and needs of the forest converting industries in West Malaysia, Papua New Guinea and Fiji (document prepared by Mr. M. Page, Forest Conversion Engineering Group, Division of Building Research, Commonwealth Scientific and Industrial Research Organization, Melbourne, Australia)
- ID/WG.151/20
and Summary
- Selection des machines à clouer et à grafer (document prepared by Mr. C. Reich, Bohm und Kruse Maschinenfabrik, Bremen, Federal Republic of Germany)
- ID/WG.151/21
and Summary
- Selection of planing and moulding machines for developing countries (document prepared by Mr. L. Wissing, Export Manager, Jonsereds Fabriker AB, Jonsered, Sweden)

- ID/WG.151/22
and Summary
- Selection of equipment and preservatives for wood preservation (document prepared by Mr. V.R. Sonti, Chief Executive, Ascu Hickson Limited, Nagpur-1, India)
- ID/WG.151/23
and Summary
- Some economic and commercial factors determining the selection of woodworking machinery (document prepared by the ECE/FAO Timber Division, Geneva, Switzerland)
- ID/WG.151/24
and Summary
- Central maintenance and repair shops (document prepared by the Secretariat of UNIDO, Vienna, Austria)
- ID/WG.151/25
and Corr.1
and Summary
- Critères pour la réception et l'établissement du niveau technique des machines-outils à travailler le bois par enlèvement de copeaux (document prepared by Mr. V. Radulescu, Consultant Engineer, Research and Design Institute for the Industrial Utilization of Wood, Bucharest, Romania)
- ID/WG.151/26
and Summary
- Wood, wood-based and woodworking machinery industries in India (document prepared by Mr. V.R. Sonti, Chief Executive, Ascu Hickson Limited, Nagpur-1, India)
- ID/WG.151/27
and Add.1
and Summary
- Selection of spreading and coating machines for the woodworking industries (document prepared by Mr. R.L. Koch II, President, Ashdee Division, George Koch Sons Incorporated, Evansville, Indiana, United States of America)
- ID/WG.151/28
and Summary
- Selection of equipment for log breakdown: band saws frame saws and chipper headrigs (document prepared by Mr. P. Imbery, Project Engineer, Gebruder Linck, Oberkirch/Baden, Federal Republic of Germany)
- ID/WG.151/29
and Summary
- Selection des machines pour la production de placages (document prepared by Mr. C. Massoneau, Valette et Garreau, Vichy, France)
- ID/WG.151/30
and Summary
- Quality control procedures and equipment for the secondary woodworking industries (document prepared by Messrs. E. Istodor-Bercoanu and V. Platon, Institut de Cercetari, si Proiectari Pentru, Industria Lemnuli, Bucharest, Romania)
- ID/WG.151/31
- Selection of equipment for assembling wood structures and frames using metal connectors (document prepared by Mr. J.G. Stokes, Managing Director, Automated Building Components, Springvale, Victoria, Australia)
- ID/WG.151/32
- Woodworking tool maintenance and selection of tool room equipment (document prepared by Mr. O. Stier, Vollmer Werke Maschinenfabrik, Biberach an der Riss, Federal Republic of Germany)

- ID/WG.151/33** Boring and mortising: technology and equipment
(document prepared by Mr. H. Eldag, Consultant,
Vienna, Austria)
- ID/WG.151/34** La selection des equipements pour le débitage des
grues au moyen de la scie à ruban (document
prepared by Mr. G. Gillet, Compagnie William Gillet, Guillet,
Remepont, Bordeaux-Merignac, France)
- ID/WG.151/35** Sanding and polishing machinery (document prepared
by Mr. H. Eldag, Consultant, Vienna, Austria)
- ITD/143/Rev.1 *** Needs and conditions of the woodworking industries
in developing countries: some points to consider
(document prepared by the UNIDO Secretariat, Vienna,
Austria)
