Fifth Meeting on Co-operation Among  
Industrial Development Financing Institutions  
Tunis, Tunisia, 24 - 29 June 1974

NOTE TO PARTICIPANTS

We regret that some of the pages in the microfiche copy of this report may not be up to the proper legibility standards, even though the best possible copy was used for preparing the master fiche.

## I. INDIVIDUAL CONTACTS

The main purpose of the conference is to give participants an opportunity to discuss business in pre-arranged, confidential meetings. These will take place in private rooms in the Hotel Africa, 50, avenue Habib Bourguiba, Tunis, Tunisia; telephone - 247 477; telex - 12536; cable - AFRICATUNIS, on Tuesday, 25 June, Wednesday, 26 June, Thursday, 27 June and Friday, 23 June 1974.

Participants have been requested therefore to refer to the provisional list of representatives of industrial financing institutions attending the meeting. According to their wishes, the Secretariat of the conference has prepared a master schedule for private meetings. An individual daily programme is handed to each participant at the time of registration, starting at 09:00 in the Hotel Africa on Monday, 24 June.

In case participants wish to request additional appointments, they should contact the appointment secretaries in charge of the arrangements for private business talks early enough so that the Secretariat can provide rooms, appropriate timing, the availability of the business partner and, when needed, interpreters.

To ensure adequate meeting arrangements, the participants are kindly requested to strictly observe the appointments made at their own request, as well as those arranged for them at the request of their business partners.

The meeting schedule of all business partners is very tight and allows for little flexibility. If cancellation of an appointment is necessary, please telephone the business partner, who also has his accommodation in the Hotel Africa or in the Hotel du Lac.

The Secretariat will provide office space. The time available for each contact will be half an hour. Participants are requested always to refer to their meeting schedules before arranging any continuation of business talks. This will help the Secretariat to maximize the effectiveness of contacts and will also provide all participants with an opportunity to discuss their business in more detail at a suitable time.

The Secretariat will try its best to arrange the private meetings requested or to issue a revised programme of appointments as soon as possible. English-, French- and Spanish-speaking appointment secretaries are at the disposal of the participants at the Conference Centre. Any request for additional appointments will be arranged by them. Each institution will have a mail box at the Conference Centre and participants are kindly requested to check this box at regular intervals, perhaps twice daily, for any messages. Documents will also be distributed there.
