DISCLAIMER

This document has been produced without formal United Nations editing. The designations employed and the presentation of the material in this document do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations Industrial Development Organization (UNIDO) concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries, or its economic system or degree of development. Designations such as “developed”, “industrialized” and “developing” are intended for statistical convenience and do not necessarily express a judgment about the stage reached by a particular country or area in the development process. Mention of firm names or commercial products does not constitute an endorsement by UNIDO.

Industrial Development Board

Fifth Session

Vienna, 24 - 28 May 1971

Agenda item 12

REPORTS OF THE JOINT INSPECTION UNIT

Note by the Executive Director

1. In compliance with the provisions concerning the arrangements for handling the reports submitted by the Joint Inspection Unit, as proposed by ECOSOC resolutions 1457 (XLVII) of 8 August 1969 and 1554 (XLIX) of 6 August 1970, and with the procedures outlined by the Under-Secretary-General for Administration and Management in his memorandum of 20 January 1970, the Executive Director submits for the consideration of the Industrial Development Board a list of reports of the Joint Inspection Unit, which are of relevance to the field activities of UNIDO.^{1/} This list is contained in the annex.

2. In accordance with the suggestions made in the Fifth Committee of the General Assembly at its twenty-fifth session, the United Nations Headquarters intends to carry out a review of actions which have been taken to implement the recommendations made by the Inspectors. UNIDO will participate in this general review.

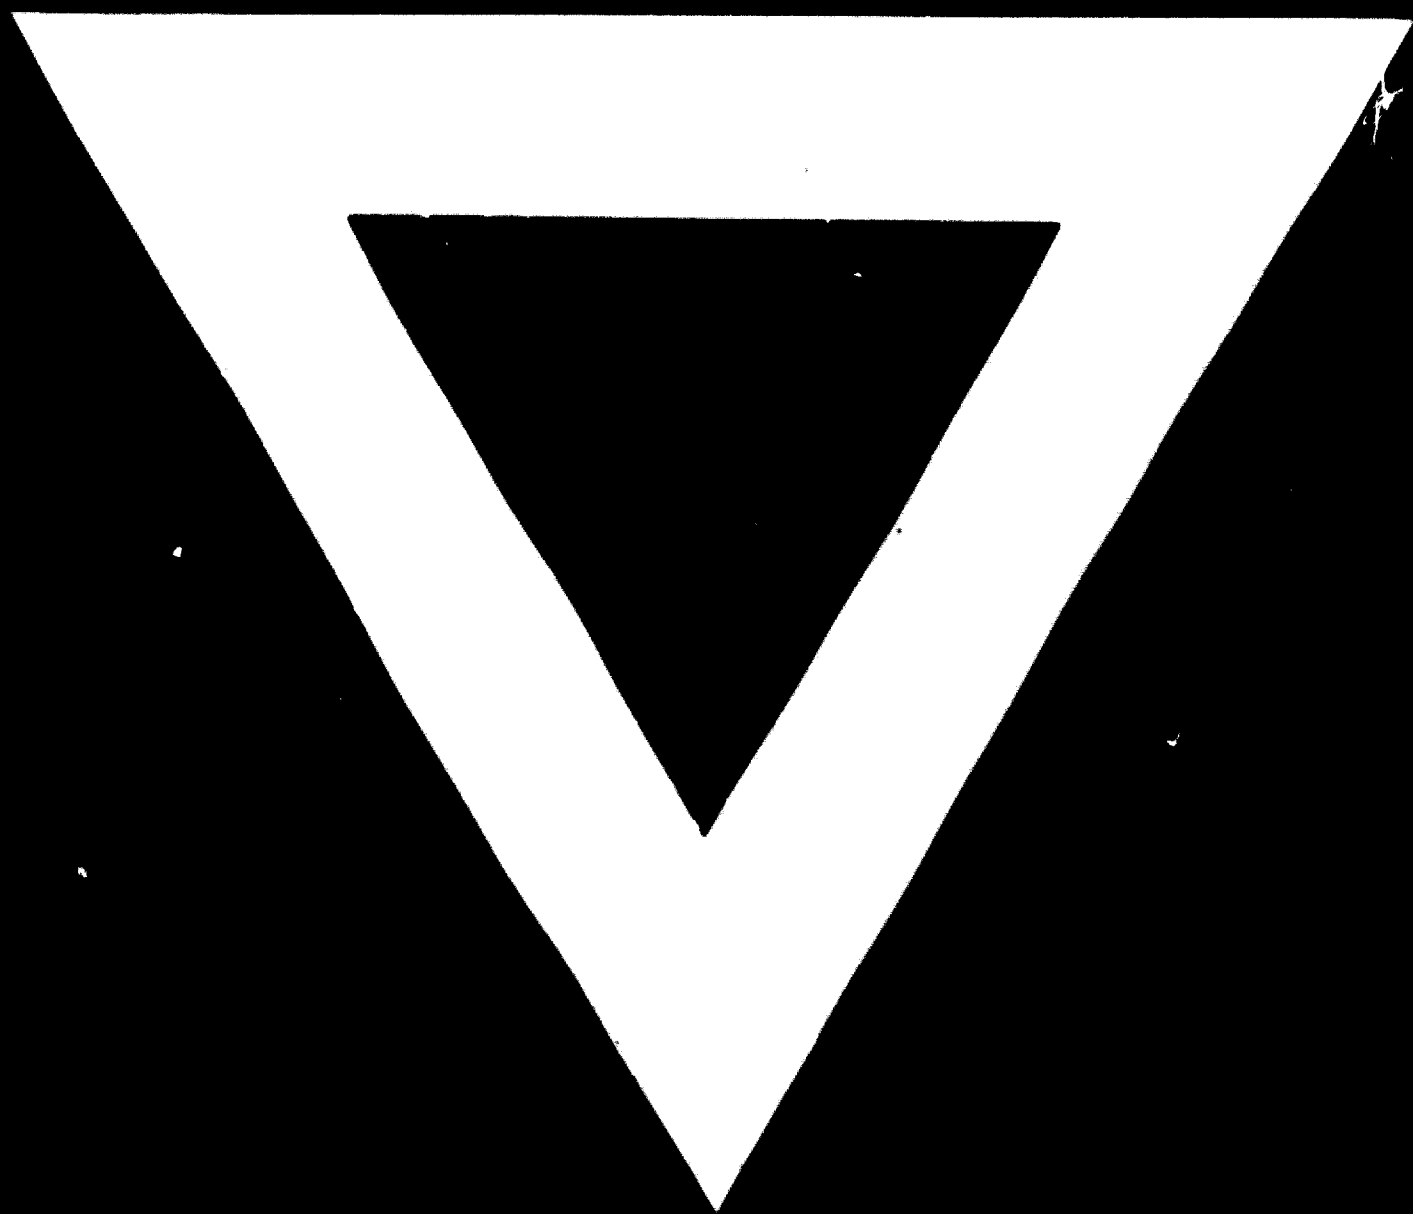

^{1/} See ID/B/75.

We regret that some of the pages in the microfiche copy of this report may not be up to the proper legibility standards, even though the best possible copy was used for preparing the master fiche.
