## Industrial Development Board

Second Session  
Vienna, 17 April - 14 May 1968

### 10(II) Voluntary Contributions

The Industrial Development Board,

Considering the need to achieve a substantial expansion of the resources of UNIDO for the purpose of increasing its operational programmes of assistance to the developing countries,

Recalling the provisions of General Assembly Resolutions 2152 (XXI) of 17 November 1966,

Recalling further its resolution 2 (I) of 4 May 1967 by which the Secretary-General was invited to convene an annual pledging conference for announcement of contributions to UNIDO,

Mindful of the fact that appropriate voluntary contributions to UNIDO from as many countries as possible would be fully consistent with the international character of its programmes designed to assist the industrialization of the developing countries,

1. Requests the Executive Director to take the necessary steps to promote through direct contacts with the governments of the developed and the developing countries their effective support by means of appropriate voluntary contributions to UNIDO for its operational programmes in accordance with Section II, paragraph 23 of General Assembly resolution 2152 (XXI);

We regret that some of the pages in the microfiche copy of this report may not be up to the proper legibility standards, even though the best possible copy was used for preparing the master fiche.

2. Decides that the resources available from voluntary contributions made to UNIDO under the provisions of section II, paragraph 23 of General Assembly resolution 2152 (XXI) shall be utilized for the financing of projects under UNIDO Programme.
