United Nations Industrial Development Organization

Industrial Development Board

Third Session

Vienna, 24 April - 15 May 1969

RESOLUTION ADOPTED BY THE INDUSTRIAL DEVELOPMENT BOARD

United Nations Pledging Conference on the United Nations Industrial Development Organization

The Industrial Development Board,

Considering that a substantial expansion of the resources of the United Nations Industrial Development Organization for the purpose of increasing its programmes of assistance to the developing countries would strengthen its ability to assist those countries in their efforts to accelerate their industrialization,

Recalling the provisions of General Assembly resolution 2152 (XXI) of 17 November 1966 and of Industrial Development Board resolution 10 (II) of 14 May 1969,

Further recalling Industrial Development Board resolution 2 (I) of 4 May 1967 by which the Secretary-General was invited to convene an annual pledging conference for announcement of contributions to the Organization,

1. Takes note of the Executive Director's note (document ID/B/43, annex VII) on the results of the 1968 UNIDO Pledging Conference;
2. Expresses its appreciation to those Governments which, in support of the activities of UNIDO, announced contributions for 1969 at the UNIDO Pledging Conference held on 4 December 1968;
3. Calls on the Executive Director to take steps to achieve a more rational utilization of the voluntary contributions already existing;

We regret that some of the pages in the microfiche copy of this report may not be up to the proper legibility standards, even though the best possible copy was used for preparing the master fiche.

4. Further calls on all Governments from developed and developing countries alike participating in UNIDO, to increase their support for the programmes of UNIDO by announcing appropriate contributions at the 1969 UNIDO Pledging Conference and to make every effort to raise their contributions for 1970 to levels consistent with the magnitude of the requirements for practical action in assisting the industrialization of the developing countries.
