# INDUSTRIAL DEVELOPMENT ABSTRACTS

## Introduction

This publication is intended to provide a specialized guide to documentation on industrialization in developing countries, much of which is unpublished, and to supplement the indexes available from the various United Nations bodies and specialized agencies.

The following material, issued by UNIDO, is indexed in the abstracts: printed publications, such as major studies and reports, publications in series, and selected articles; from the reports and proceedings of expert working groups, workshops and seminars; internal studies; public information series; and reports related to technical assistance.

*Industrial Development Abstracts* consists of three parts: an author index, a subject index, by title; and bibliographical abstracts. The number given with each entry in the author and subject indexes is the computer access number of the item. The abstracts are printed in sequence according to the access number, which appears at the top left of each entry. The descriptors used are taken from the *Thesaurus of Industrial Development Terms* (ID/172; French-English version ID/173).

The UNIDO Industrial Information System (INDIS) is patterned after the Integrated Scientific Information System (ISIS) developed by the International Labour Office and is compatible with indexing systems used by other United Nations bodies and specialized agencies, thus facilitating the exchange of information.

Orders for *Industrial Development Abstracts* or for United Nations sales publications indexed in the *Abstracts* should be addressed to:

United Nations Office at Geneva Distribution and Sales Section Palais des Nations CH-1211 Geneva 10 Switzerland	}	for orders from Africa, Europe and Western Asia
---	---	--

or

Sales Section United Nations Headquarters New York, N.Y. 10017 United States of America	}	for orders from North and South America, Asia and the Pacific
--	---	---

Orders for United Nations sales publications should refer to the sales number (for example, UN.E.72.11.B.6). Some publications may be purchased in microform from the United Nations Office at Geneva listed above.

Inquiries regarding documents other than sales publications should refer to the document symbol (for example, ID/WG.99/10). They should be addressed to:

UNIDO Industrial Documentation Unit  
P.O. Box 707  
A-1011 Vienna, Austria

Please note that requests for documents cannot be serviced on the basis of the computer access number. In order to be processed such requests must include the document symbol listed in the abstract proper.

# RESUMES D'ETUDES SUR LE DEVELOPPEMENT INDUSTRIEL

## Introduction

Le but de la présente publication est de servir de guide pour une documentation, en grande partie inédite, concernant l'industrialisation des pays en voie de développement, et de fournir un complément aux index publiés par les divers organismes des Nations Unies.

On y trouvera des résumés de diverses catégories de documents de l'ONUDI: publications imprimées (études et rapports importants, publications périodiques, etc.); y figurent aussi des rapports et comptes rendus de réunions d'experts, de journées d'études et de séminaires, des études internes, des documents d'information et des rapports sur des activités d'assistance technique.

Les *Résumés d'études sur le développement industriel* sont divisés en trois parties: un index par auteurs, un index par sujets, classés par titres, et des analyses bibliographiques. Le numéro de chaque rubrique dans les listes par auteurs et par sujets correspond au numéro d'enregistrement du document sur fichier magnétique. Les résumés sont classés par ordre numérique d'après leur numéro d'enregistrement qui est reproduit en haut et à gauche de chaque rubrique. Les abréviations utilisées sont tirées du *Thesaurus of Industrial Development Terms* (ID/172; version français-anglais: ID/173).

Le Système d'informations industrielles (INDIS), adopté par l'ONUDI et qui s'inspire du Système intégré d'information scientifique (ISIS) mis au point par le Bureau international du Travail, est conçu de la même manière que les systèmes d'indexation adoptés par d'autres organismes des Nations Unies et institutions spécialisées, ce qui facilite l'échange rapide d'informations.

Les commandes de *Résumés d'études sur le développement industriel* ou de publications mises en vente par les Nations Unies et faisant l'objet de ces *Résumés* doivent être envoyées à l'adresse suivante:

Office des Nations Unies à Genève Section des ventes Palais des Nations CH-1211 Genève 10 (Suisse)	}	Pour les commandes provenant de l'Afrique, de l'Asie occidentale et de l'Europe
--	---	---

ou

Section des ventes Nations Unies New York, N.Y. 10017 (Etats-Unis d'Amérique)	}	Pour les commandes provenant des Amériques ainsi que de l'Asie et du Pacifique
--	---	--

Les commandes de publications mises en vente par les Nations Unies doivent rappeler le numéro de vente (par exemple : UN.E.72.II.B.6). On peut se procurer certaines publications sur microfiches auprès de l'Office des Nations Unies à Genève.

Pour les documents autres que les publications mises en vente, envoyer les demandes, en mentionnant la cote du document choisi (ID/WG.99/10, par exemple), à l'adresse suivante :

Bureau de documentation industrielle  
Organisation des Nations Unies pour le développement industriel  
(ONU/DI)  
Boîte postale 707  
A-1011 Vienne (Autriche)

Veillez noter que la seule mention du numéro d'enregistrement ne permet pas de donner suite aux demandes de documents. Dans ces demandes, il est indispensable d'indiquer aussi la cote du document, laquelle figure dans le résumé proprement dit.

## РЕФЕРАТИВНЫЙ ЖУРНАЛ ПО ПРОМЫШЛЕННОМУ РАЗВИТИЮ

### Введение

Эта публикация предназначена служить специализированным указателем документации, часто не опубликованной, по вопросам индустриализации развивающихся стран, а также заполнить пробелы, имеющиеся в указателях, публикуемых различными органами и специализированными учреждениями Организации Объединенных Наций.

В реферативном журнале индексируется следующий материал, публикуемый ЮНИДО: печатные публикации, такие, как основные исследования и доклады, а также серийные выпуски: отдельные статьи из журналов «Новости промышленных исследований и развития» (IRDN) и «Бюллетень индустриализации и производительности труда»; доклады и труды рабочих групп экспертов, совещаний и семинаров; внутриорганизационные исследования, общественно-информационные серии; а также доклады по вопросам технической помощи.

*Реферативный журнал по промышленному развитию* состоит из трех частей: указателя авторов, предметного указателя по заголовкам и библиографии. Цифра, проставляемая с каждой статьей в указателе авторов и предметном указателе, является кодовым номером для электронно-вычислительного устройства по данной статье. Аннотации печатаются последовательно в соответствии с кодовым номером, который ставится слева вверху от каждой статьи. Используемые символы взяты из словаря терминов по промышленному развитию (*Thesaurus of Industrial Development Terms*) (ID/172; на английском и французском языках – ID/173).

Система промышленной информации ЮНИДО (INDIS) аналогична интегрированной системе научной информации (ISIS), разработанной Международным бюро труда, и совместима с системами индексирования, используемыми другими органами и специализированными учреждениями Организации Объединенных Наций, облегчая тем самым обмен информацией.

Заявки на *Industrial Development Abstracts* или на поступающие в продажу издания Организации Объединенных Наций, которые имеют индекс и приводятся в Реферативном журнале, должны направляться по адресу:

United Nations Office at Geneva Distribution and Sales Section Palais des Nations CH-1211 Geneva 10 Switzerland	}	для заявок из Африки, Европы и Западной Азии
---	---	--

или

Sales Section United Nations Headquarters New York, N. Y. 10017 United States of America	}	для заявок из Северной и Южной Америки, Азии и из стран Тихого океана
---	---	---

Заявки на поступающие в продажу издания Организации Объединенных Наций должны сопровождаться ссылкой на номер, под которым они поступают в продажу (например, UN.E.72.II.B.6). Некоторые издания могут быть приобретены в виде микрофишей в Отделении Организации Объединенных Наций в Женеве, адрес которого сообщается выше.

Заявки, касающиеся другой документации помимо изданий, поступающих в продажу, просьба направлять с указанием символа документа (например, ID/WG. 99/10) по адресу:

UNIDO Industrial Documentation Unit  
P.O.Box 707  
A-1011 Vienna, Austria

Просьба принять во внимание, что заявки на документацию не могут быть удовлетворены на основе номера для поиска на ЭВМ. Для того чтобы можно было обработать такие заявки, они должны включать символ документа, указанный в соответствующей аннотации.

## EXTRACTOS DE DESARROLLO INDUSTRIAL

### Introducción

Esta publicación tiene por objeto servir de guía especializada de la documentación relativa a la industrialización de los países en desarrollo, documentación en gran parte inédita, y de suplemento de los índices que pueden proporcionar los diversos órganos y organismos especializados de las Naciones Unidas.

En los extractos se clasifica el siguiente material, publicado por la ONUDI: publicaciones impresas, como informes y estudios principales, publicaciones que forman parte de series y artículos seleccionados de informes y actas de grupos de expertos, cursos prácticos de capacitación y seminarios; estudios internos; series de formación pública; e informes sobre cuestiones de asistencia técnica.

Los *Industrial Development Abstracts* constan de tres partes: un índice de autores, un índice de materias, por títulos, y extractos bibliográficos. El número que acompaña a cada autor o materia en los índices correspondientes es el número de entrada que les está asignado en la computadora. Los extractos se publican siguiendo el orden de esos números de entrada, que figuran en la esquina superior izquierda de cada inscripción. Los descriptores empleados se han tomado del *Thesaurus of Industrial Development Terms* (ID/172; versión en francés/inglés ID/173).

El Sistema de Información Industrial de la ONUDI (INDIS) sigue las líneas generales del Sistema Integrado de Información Científica (ISIS), desarrollado por la Oficina Internacional del Trabajo, y es compatible con los sistemas de índices empleados por otros órganos y organismos especializados de las Naciones Unidas, lo cual facilita el intercambio de información.

Los pedidos de *Industrial Development Abstracts* o de publicaciones de las Naciones Unidas destinadas a la venta que figuran en *Abstracts* deben enviarse a:

Oficina de las Naciones Unidas en Ginebra	}	(Pedidos procedentes de Africa, Asia Occidental y Europa)
Sección de Distribución y Ventas
