- (iii) International co-operation in the field of transfer and development of industrial technologies with a view to increasing the technological capabilities of the developing countries;
 - (iv) Improved mechanisms for industrial co-operation to promote the flow of integrated technical and financial assistance to developing countries, including regional co-operation and special measures for the least developed, land-locked and island countries;
 - (c) Industrial co-operation among developing countries: recommendations on policies, procedures and strategies;
 - (d) Redeployment of industries from developed to developing countries;
 - (e) System of consultation;
 - (f) Creation of appropriate industrial structures in developing countries, with a view to accelerating their economic growth and increasing their share in world industrial production in order fully to realize their economic potential within their national interests, in accordance with the Lima Declaration and Plan of Action and the resolutions of the seventh special session of the General Assembly;
 - (g) Role of foreign investment, including that channelled through transnational corporations, in promoting industrial growth in accordance with national objectives of economic and social development and regulations and other conditions applicable to such investment.
6. Institutional arrangements:
- (a) Review of the effectiveness of co-ordination and follow-up on matters concerning industrial production, international industrial co-operation and related issues covered by other organizations within the United Nations system;
 - (b) Review of the effectiveness of the institutional arrangements for the United Nations Industrial Development Organization, with reference to the long-range strategy for the Organization, to meet the challenge of industrialization in the 1980s and beyond.
7. Conclusions and recommendations.
8. Adoption of the report of the Conference.
9. Closure of the Conference.
