1. Overall Plan of the Training Scheme and Publicity of the Program.

Sindh Board of Technical Education, Karachi, was awarded Amendment No.1 to UNIDO Contract No.16001010, vide No. ML/ZP dated 19th April 2007 by the UNIDO, Vienna for RMP Training in the Sindh Province of Pakistan. The training program was advertised in three leading newspapers of the country to invite applications for RMP training. In all three training centers were used to impart training – one at Govt. College of Technology, Karachi, another at Govt. College of Technology, Hyderabad and a third one at SBTE Regional Office, Sukkur. A certified Master Trainers of UNIDO, Mr. Lateef Ahmed was deputed to provide training in Karachi, another Mr. Kaleem Iftikhar Siddiqui at Hyderabad and a third trainer Mr. Darya Khan at Sukkur. Mr. Rashid Aziz Joint Director SBTE deputed as Deputy Project Directors to supervise the program. Under this contract, 260 Technicians were trained in 21 batches in Karachi, 90 technicians in 9 batches at Hyderabad and 90 technicians in 9 batches at Sukkur. In all, 440 trainees were trained under this program. Since Prof. M. Saeed Siddiqui has now taken over charge as Chairman of the Board. He is also working as Project Director of UNIDO project.

A half page advertisement was published in three leading Newspapers of English, Urdu and Sindhi, which appeared in *The DAILY DAWN* on 6th June 2007 and both *DAILY JANG* and *DAILY KAWISH* on 3rd June 2007, respectively, which are placed at **Annexure - I.**

2. Training Centers in Sindh.

As mentioned earlier, the following three Training Centers were used.

- 1) Govt. College of Technology, SITE, Karachi.
- 2) Govt. College of Technology, Wahadat Colony, Hyderabad.
- 3) Regional Office, SBTE, Sukkur.

3. Trainee's Data and Schedule:

The proposed and actually enforced training schedules of the 440 trainees are provided in **Annexure – II**. The reasons for the difference in the training schedules were communicated in the interim report. The training program was started from 20th June 2007 at Govt. College of Technology, SITE Karachi, from 5th September in Hyderabad and from 10th September in Sukkur. Twenty one batches comprising of 260 trainees have completed the training in Karachi, nine batches comprising of 90 trainees have completed the training in Hyderabad and nine batches comprising of 90 trainees have completed the training in Sukkur. Total 440 trainees have completed the training. Particulars of trainees are provided in **Annexure-III**.

4. Selection of Trainees:

In response to earlier cited advertisements, the Board received many applications. It is worth mentioning that the Board approached Town Nazims, Dignitaries & Education Officers of the three regions to ensure the inductance of good quality of trainees in the program.

5. Certification of Trainees

Each trainee has been provided with a certificate of the Board duly signed by the representative of UNIDO and the Chairman of SBTE. Copies of sample certificates are placed at **Annexure – IV**.

Environmental Protection Through Improved Technicians Training

Pakistan is a signatory to the Montreal Protocol under which the Refrigerant Management Plan (RMP) has been approved to bring about reduction of CFCs & ODS emissions for global environmental protection. An important component of RMP is National Technicians Training, which is being implemented in Pakistan through the REFRIGERATION & AIR-CONDITIONING SERVICE TECHNICIAN TRAINING PROGRAMME of Sindh Board of Technical Education (SBTE) in collaboration with United Nations Industrial Development

Organization (UNIDO). This training will provide an opportunity to the technician's to follow good servicing practice in Refrigeration and Air- Conditioning field. Although Pakistan has been in compliance with the control measures, higher reduction targets must be achieved by improved service and maintenance practices equally by controlling intentional or unintentional release of Ozone Depleting Substances (ODS) in the atmosphere.

Objectives of the Project:

- To Develop awareness about hazardous effects of CFCs (Chlorofluoro Carbon) / ODS (Ozone Depleting Substances) used in refrigeration equipment.
- Provide training for replacement of CFCs by HFCs.
- Provide training to the 440 RAC technicians in Sindh for controlling unnecessary emission of CFCs / ODS by good servicing and maintenance techniques.
- Establish a permanent resource centre for support, monitoring and evaluation of above vocational training program in the field of RAC.
- include modern concepts about ODS in DAE and TSC curricula.

- Establish a RACT trainer/technician forum.
- Develop linkages between RAC industry and Technical Institutes Offering Education & Training in the field of RAC.

Free Registration:

Free Registration of RAC Workshop for establishing a RAC Forum & free training.

Stipend for Trainees:

Trainee will be provided course material and Stipend including T.A/D.A @ Rs. 2,000/-.

Certification:

Selected trainees will be registered with the Board. On successful completion Training Certificates will be issued in collaboration with UNIDO & SBTE.

Selection of Trainees:

Application on plain paper alongwith service/experience certificate, and CNIC are invited upto 18th June 2007, from the interested service technician working in the RAC Workshop in Sindh. Training will be provided at 3 Centres.

- Govt. College of Technology SITE, Karachi.
- Govt. College of Technology, Wahdat Colony, Hyderabad and
- SBTE Regional Office, Sukkur. The applicants are requested to clearly mention the training center of their interest. Applications shall be addressed to Joint Director (CCRD), St - 22, Block 6, Gulshan-e-Iqbal University Road, Karachi.

Technicians already completed above training program are not eligible.
