Ali), staff of all TEVTA Institutions where RMP training was conducted, and representative of the local markets were present. It was agreed to distribute all the training equipment to TEVTA institutions and private workshops as per selection criteria mutually agreed by all stake holders. Detail proposal would be submitted to the authorities for approval.

1	Private (main) Workshops	91 Units	Complete training sets inclusive of Recovery units
2	TEVTA Institutions	44 Units	
3	Private (small) Workshops	200 Units	200 remaining training sets without Recovery units

91 sets of units with Recovery Units are being provided to those selected workshops where RMP Trained Technicians are available and the workshop is willing to give feedback on regular basis for the qty/volume of ODS gasses recovered through this equipment. Similarly the equipment supplied to TEVTA institutions will be used for further training of technicians.

3 **Utilization of
Training Van**

Chairman TEVTA and Mr. Mosuf Ali consented to the plan for utilization of Training Van starting from suburbs of Lahore to other remote areas of the province. It involves the recommendations of the Master Trainers, trainers and other stake holders.

The Final Report is submitted, it is also requested to release final installment of funds amounting to US \$ 9,500/- to TEVTA as per clause 4, Contract Amendment No.1 Price and Payment Clause (3-c).
