OCCASION

This publication has been made available to the public on the occasion of the 50th anniversary of the United Nations Industrial Development Organisation.

TOGETHER
for a sustainable future

DISCLAIMER

This document has been produced without formal United Nations editing. The designations employed and the presentation of the material in this document do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations Industrial Development Organization (UNIDO) concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries, or its economic system or degree of development. Designations such as “developed”, “industrialized” and “developing” are intended for statistical convenience and do not necessarily express a judgment about the stage reached by a particular country or area in the development process. Mention of firm names or commercial products does not constitute an endorsement by UNIDO.

FAIR USE POLICY

Any part of this publication may be quoted and referenced for educational and research purposes without additional permission from UNIDO. However, those who make use of quoting and referencing this publication are requested to follow the Fair Use Policy of giving due credit to UNIDO.

Meeting of Selected Heads of
Research Institutes

Vienna, Austria, 18-22 October 1976

PROVISIONAL ANNOTATED AGENDA

1. Opening of the meeting
2. Election of the Chairman and Rapporteur
3. Adoption of provisional agenda
4. Discussion arising from documents circulated.

The discussion under this item will be brief: it is merely intended to enable participants to seek or offer necessary clarification and/or amplification of the documents already circulated.

5. Evolution of common research and development priorities in appropriate industrial technology

Among other things, the following issues may require discussion: the desirability and feasibility of evolving common priorities for research; the requisite arrangements for so doing; the nature of such priorities on a functional (extension, development or research) as well as a sectoral (industry sectors) basis. Arrangements for information exchange.

6. Possible co-operation among research institutions

The possible forms of co-operation. The forms of co-operation (including pairing of research institutions) which could be conceived and tentatively agreed upon on a bilateral or multilateral basis. The mechanisms needed to initiate and maintain such co-operation. The support (policy, physical, institutional and financial) needed at the national and international levels.

7. Possibilities of participation in UNIDO's co-operative research and development programme

Review and closer identification of items for UNIDO-sponsored co-operative research and development and the extent to which the participant institutions or others could assist.

8. Follow-up

Proposals for follow-up and the involvement of non-participating institutions in this activity. Suggestions as to UNIDO's possible role in the development and transfer of technology.

9. Any other business

10. Adoption of the report of the meeting
