First Consultation Meeting  
on the Iron and Steel Industry  
Vienna, 7-11 February 1977

PROVISIONAL AGENDA

1. Election of Officers
2. Adoption of rules of procedures
3. Consideration of the priority issues which were recommended by the Preparatory Meeting as follows:
  - (a) To examine the expansion of steel demand and steelmaking capacities over the short and medium terms (1985 and 1990) and long term (2000) and to encourage and support the full development of steel projects in the developing countries consistent with the Lima Declaration, bearing in mind the special problems and prospects of developing countries with little or no steel production;
  - (b) To identify and stimulate ways and means of securing the availability and supply at an appropriate price of steelmaking raw materials and providing technology and financial resources;
  - (c) With a view to implementing the objectives outlined above, to mobilize the required resources and to develop constructive international co-operation for the expansion of steel production and trade in developing and developed countries.
4. Adoption of the report
