

TOGETHER
for a sustainable future

OCCASION

This publication has been made available to the public on the occasion of the 50th anniversary of the United Nations Industrial Development Organisation.

TOGETHER
for a sustainable future

DISCLAIMER

This document has been produced without formal United Nations editing. The designations employed and the presentation of the material in this document do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations Industrial Development Organization (UNIDO) concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries, or its economic system or degree of development. Designations such as “developed”, “industrialized” and “developing” are intended for statistical convenience and do not necessarily express a judgment about the stage reached by a particular country or area in the development process. Mention of firm names or commercial products does not constitute an endorsement by UNIDO.

FAIR USE POLICY

Any part of this publication may be quoted and referenced for educational and research purposes without additional permission from UNIDO. However, those who make use of quoting and referencing this publication are requested to follow the Fair Use Policy of giving due credit to UNIDO.

**FIELD OFFICES
INFORMATION BULLETIN
(F O I B)**

V. 93-84520

The designations employed and the presentation of the material in this document do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations Industrial Development Organization (UNIDO) concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

This Bulletin has not been edited.

P R E F A C E

This Bulletin has been prepared by the Field Representation and Coordination Unit of the Area Programmes Division, Department for Programme and Project Development, United Nations Industrial Development Organization (UNIDO). Its purpose is to facilitate rapid communication between UNIDO Headquarters and the field by providing up-to-date information on United Nations Development Programme (UNDP) and UNIDO field offices.

The information, previously issued in the Country Data Bulletin, is presented in a handy, practical format and includes names and addresses, telephone and facsimile numbers, working hours and time differences between Vienna and field duty stations.

The Bulletin is based on information received from UNDP Field Services Office in New York up to 31 March 1993 as well as the UNIDO data sources.
